

TRESKAVICA

ZELENGORA

Ova tura vas vodi obroncima planine Treskavice i Zelengore gdje se nalaze dvije nekropole stećaka i dva prelijepa planinska jezera. Obje nekropole se nalaze na nadmorskoj visini od oko 1370m n/v, a njihovi spomenici su bogato ukrašeni i dobro očuvani. Sa ovih lokacija pruža se nezaboravan pogled na okolne planine.

This tour takes you to the slopes of Treskavica and Zelengora mountains where there are two necropolises and two beautiful mountain lakes. Both necropolises are located at an altitude of about 1,370m and their monuments are richly decorated and well preserved. Both locations offer a breathtaking view of the surrounding mountains.

CRVANJ PRENJ

Ova tura prolazi Nevesinjskim poljem u podnožju planine Crvanj i spušta se prema dolini rijeke Neretve obilazeći dvije nekropole stećaka, od kojih nekropola Kalufi broji 464 stećka i najveća je u BiH. Pored stećaka na turi se može uživati u pogledu na okolne planine i bistro vode rijeka Neretve i Zalomke.

This tour passes Nevesinje plain at the foot of the Crvanj Mountain and descends into the Valley of Neretva river and two necropolises, of which necropolis Kalufi has 464 tombstones and is the largest in Bosnia and Herzegovina. On this tour you can enjoy the view of surrounding mountains and clear waters of Neretva and Zalomka rivers.

VRAN RADUŠA

Ova tura prolazi visoravnima Blidinja i Kupresa ispod Raduše i Vran planine. Stećci na Blidinju su bogato ukrašeni i restaurirani a pored stećaka pažnju plijeni planina Čvrsnica i Blidinje jezero. Na drugoj strani tura prolazi pored Ramskog jezera gdje se nalazi i poznati samostan Ščit.

This tour passes through the highlands of Blidinje and Kupres below Vran and Raduša mountains. Tombstones in Blidinje are richly decorated and restored. Here you can also enjoy a view of Čvrsnica Mountain and Blidinje Lake. The tour also passes by Rama Lake where there is the famous monastery Ščit.
